Operational Review:

During the financial year 2015-16, the Company has achieved the total Revenue of Rs. 10841 lacs as compared to the previous year's figure of Rs. 11005 lacs, thereby registered marginal reduction of 1.49 % over the previous year. The EBIDTA of the Company during the year stood at Rs. 1666 Lacs compared to Rs. 1117.62 lacs in previous year. The Company has registered net Loss of Rs. 212 Lacs for the financial year ended on 31st March, 2016 as compared to the previous year's loss of Rs. 818 Lacs. There is a significant reduction in the loss as compared to previous year.

The business performance of the Company has improved in terms of reduction in the loss despite marginal reduction in the turnover of the Company. This has happened due to, reduction in cost, effective utilization of available resources, marketing and research & development activities for better quality of the products and streamlining of the manufacturing activities of the Company. Your Directors expect further improvement in the performance of the Company during the current year.

SHREE RAMA MULTI-TECH LIMITED

BUSINESS PERFORMANCE

Your company has unique proposition of offering different packaging solutions and technologies under one roof. Among diverse portfolio of your company's products, Tubes, flexible packaging and cups are primary packaging materials, since the packed product is in direct contact with packaging. As a result, Quality, Hygiene and adherence to systems has become integral part of your Company's culture. Label is secondary packaging material produced by your Company. Another large and growing segment for your Company is flexible packaging materials, which has varied applications for packing powders, granules, liquids, condoms etc.

In line of this intention, during the year 2015-16, the necessary investments have been made in machineries and man power. In addition to domestic market, overseas markets also hold substantial potential for both laminated tubes and flexible laminates. During year under review, the Export turnover of the Company was Rs. 1925.28 Lacs (FOB Value). Your Company intends to strengthen their position in these markets also, for which the necessary marketing efforts have been initiated during the year.

Boards' Comments on Auditors' Emphasis

1. Regarding Unpaid dividend on Preference Share & Non Provision of interest on loans of lenders:

The Company has filed a Composite Scheme of Compromise and Arrangement with its lenders and Shareholders u/s 391 of the Companies Act, 1956 at larger bench of Gujarat High Court and on the Scheme becoming effective, all existing litigations and legal cases shall be terminated and the lenders shall forthwith withdraw all existing litigations and legal cases against the Company, The guarantors, the Directors of the Company as the case may be and the lenders shall simultaneously execute necessary applications / affidavits / documents etc. to be promptly submitted to concerned courts, statutory authorities etc. in order to give immediate effect for such withdrawal of legal actions, cases or litigations. Thereafter the right of the lenders will be submerged and recasted in the manner as proposed in the Scheme.

In the said scheme, the issue of waiver of unpaid dividend on preference shares is also covered. The Board is of the view as well as legally advised that the said matter will be also sorted out on final outcome of the scheme. Further as regard to non-provision of interest on outstanding loans and debentures which are under settlement scheme, the Company has initiated settlement of said loans as per scheme and on final ascertainment of the same, the necessary accounting effect will be given.

2. As regard to Non Consolidation of Accounts of Wholly Owned Subsidiary (WOS):

In respect of the investment made in Shree Rama (Mauritius) Limited, its wholly owned subsidiary (WOS), the resident Directors & key managerial personnel of the said WOS had resigned in the year 2005-06 and audited accounts for the year ended 30th September 2003 and onwards could not be prepared and provided. Its present status is shown as 'defunct' under respective laws. The company has accordingly provided for full diminution in the value of investments in the earlier years.

In view of the above, it was not possible to prepare consolidated financial statements as required by Accounting Standard 21 issued by ICAI, and other provisions of the Companies Act, 2013. Accordingly separate statement containing the salient features of financial statements of subsidiaries in Form AOC-1 is not provided herewith.

ANNEXURE - F TO THE BOARDS' REPORT MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors have pleasure in presenting this Management Discussion and Analysis Report for the year ended on 31st March 2016.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

Packaging is one of the fastest growing industries and stands at USD 700 billion globally. It has grown higher than GDP in most of the countries. In developing country like India, it grew at a CAGR of 16% in the last five years and touched USD 32 Bn in FY 15. The Indian packaging industry constitutes 4% of the global packaging industry. However in the coming years Indian packaging industry is expected to grow at 18% p.a. wherein, the flexible packaging is expected to grow at 25 % p.a. and rigid packaging to grow at 15 % p.a.

The packaging segment in India is an amalgamation of both organized and unorganized players ranging from very small players with limited presence to big players with large market share. Demand for this segment is anticipated to grow rapidly across all the players. Also there is an increasing focus on innovative and cost effective packaging materials. Thus, the industry players are keeping in track with the changing trends in packaging and making efforts to capture the market with higher technology orientation. Further with a viewpoint of health and environment friendliness, the growth in packaging industry has been leading to greater specialization and sophistication amongst the market players.

Packaging encompasses a wide range of material types across paper board, metals, plastic, wood, glass and other materials. However amongst all the substitutes available, 'Plastic Packaging' is the fastest emerging trend in the packaging industry. Plastics today form the foundation of our "convenience consumer culture". The traditional materials like paper boards, metals, wood, glass etc. have been replaced by plastics in many applications due to their cost to performance ratio. The features of plastics make them an ideal packaging material for all industrial or commercial users. Globally, Plastics comprise of 42% of packaging with the combination of rigid and flexible plastics in packaging

SRMTL'S PERFORMANCE AS INDUSTRY

Your company has unique proposition of offering different packaging solutions and technologies under one roof. Among diverse portfolio of your company's products, Tubes, flexible packaging and cups are primary packaging materials, As a result, Quality, Hygiene and adherence to systems has become integral part of your Company's culture. Label is secondary packaging material produced by your Company.

SEGMENT-WISE/ PRODUCT WISE PERFORMANCE

Your company's largest product is laminated tubes, which is used for packing products in paste or gel form. Major product categories which use these tubes are oral care, cosmetics and pharma industry. As per capita consumption of these products in our country is lower than developed markets, coupled with increasing disposable income in the hands on Indian consumers, these industries are expected to do well in foreseeable future and your company will be direct beneficiary of this increased consumption. Additionally, in laminated tube segment, your Company has rare distinction of being an integrated supplier, as your Company has all required technologies and equipment to convert plastic granules into tubes. The Company has considerable market share in this segment.

Another large and growing segment for your company is flexible packaging materials, which has varied applications for packing powders, granules, liquids, condoms etc. Your company has plans to grow substantially in this segment. In line of this intention, during 2015-16 necessary investments have been made in machineries and man power.

SHREE RAMA MULTI-TECH LIMITED

In addition to domestic market, overseas markets also hold substantial potential for both laminated tubes and flexible laminates. During the financial year 2015-16, the Export turnover of the company was Rs. 1925.28 Lacs.(FOB Value) Your company intends to strengthen their position in these markets also, for which necessary marketing efforts have been initiated in 2015-16.

OPPORTUNITIES, THREATS AND RISK PERCEPTION:

In the way ahead, the growth in the plastic packaging industry in India will be majorly impacted by the end use industries, growing consumerism and government initiatives

End-Use Industries: The Indian Food & Beverage industry has nearly 25% yearly growth and major application of plastics in food products is in packaging. Thus growth in food and beverage sector highlights the growth potential for plastics in packaging. Similarly, personal care sector, which is growing at nearly 15%, will also drive demand for rigid plastics, as it is the most used material for packaging of personal care products. Other industrial sectors such as, pharmaceutical that is proposed to grow at 13-15% over next five years, retail industry, that is currently witnessing the shift from unorganized to organized retail; will also stimulate the demand of plastic in packaging material.

Consumerism: Growing consumerism will also contribute to growing demand. Consumer's preference for the use of convenient packaging and affordable packaging is driving the market towards flexible packaging in India. Consumers today are increasingly looking to buy products which are suitable for handling, long lasting and easy to store and as plastics can be used with great versatility, they have been the preferred choice in packaging. This growth will also be pushed by the increasing size of middle class population in tier II/III cities in the country.

The Government's campaign which aims to turn the country into a global manufacturing hub will have positive impact on the growth of both plastic and packaging industry. The proposed policies of government for technology up-gradation fund scheme, setting up of plastic parks, setting up Special Economic Zones (SEZs) to overcome bottlenecks of infrastructure and creating business friendly policies will help in exploring the underlying potential. Also the extended support from Ministry of Chemicals & Fertilizers and the Central Institute of Plastics Engineering & Technology (CIPET) will drive the growth of plastic and packaging industry in India.

With more than 40% of packaging needs catered by plastics in India, the domestic market is third largest consumer of polymers and a growth in plastic demand is expected to boost the consumption. Availability of raw material is a major challenge. For e.g. Crude is the feedstock required for these products and India is relying on heavy imports of crude to meet its requirements. Also, Volatility in the Prices of crude oil and exchange rate has led to increase in price pressure and lower profits in spite of high volume realizations. The plastic packaging industry primarily driven by the consumer goods sector often faces the issue of low margins, as most of the end products are coming from the imported raw materials and hence profit margins are highly dependent on import prices.

The plastic industry in India is a labour intensive industry as compared to its western counterparts. This has impacted the productivity in an unfavorable way. Apart from playing an increasing role in packaging and consumer products plastics also take up a growing percentage of municipal solid waste streams and pose environmental challenges. They are considered to be a major threat to environment and public health.

RISK AND CONCERNS

As key products of your company are composite materials, involving use of plastics, paper and aluminum foil, they are not biodegradable. With increasing awareness on environmental issues, any decision by Government restricting use of such composites is a key risk to business of your company. However, probability of such actions from Government are low since these packaging materials are light weight

Annual Report 2015-16

and consume lesser energy compared to traditional packaging materials like Aluminum collapsible tubes, glass, metal etc. Another area of concern for your company's business is advent of low cost tubing lines from China. However, your company is capable of dealing with such low cost competition by improving efficiencies on their high tech tubing lines and reducing scrap generation.

BUSINESS OUTLOOK

Due to increasing expertise in the packaging of F&B, medicinal, home & personal care and other heavy industrial products, plastic packaging segment is expected to capture the packaging demand. The overall packaging industry in India has a huge growth potential and is expected to reach USD 73 Bn in FY 2020. Additionally, India is growing as a manufacturing hub and the exports are also growing. To cater to the international market, the packaging standards are being uplifted which calls for adopting better packaging methods, materials and machineries to make sure that the quality of end product and visual appeal is top notch.

Moreover highly favorable demographic patterns in India such as increasing working age population, growing disposable income, growth in middle class, ongoing urbanisation and changing lifestyles etc will further drive the growth of packaging industry in India.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has appointed M/s. Ramesh C. Sharma & Co. Chartered Accountants, an outside agency as its Internal Auditors, who conduct internal audit for various activities. The Company has developed adequate internal control system commensurate to its size and business. The reports of Internal Auditors are submitted to the Audit Committee which further reviews the adequacy of Internal Control System. The Board of Directors also considers the report of the Internal Auditors.

DISCUSSION ON FINANCIAL PERFORMANCE WITH REFERENCE TO OPERATIONAL PERFORMANCE:

The business performance of the Company has improved in terms of reduction in the loss before tax and net loss even after marginal reduction in the turnover of the company. This has happened due to, reduction in cost, effective utilization of available resources, marketing and research & development activities for better quality of the products and streamlining of the manufacturing activities of the Company. Your Directors are expecting for more improvement in the performance of the Company during the current year. During the year 2015-16, the Company has achieved the total Revenue of Rs. 10841 lacs as compared to the previous year's figure of Rs. 11005 lacs. The company has registered net Loss of Rs. 212 lacs for the financial year ended on March 31, 2016 as compared to the previous year's loss of Rs. 818 Lacs. There is a significant reduction in the loss as compared to previous year.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED :

The Company attaches importance to the dignity of employee irrespective of position and highly values the cultural diversities of employees. Human Resource is valued as an extremely important and strategic resource and your Company believes in employee empowerment across the entire organization in order to achieve organizational effectiveness. The number of employees on roll are 348.

Cautionary Statement: Estimates and expectations stated in this Management Discussion and Analysis may be "forward-looking statement" within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to your Company's operations include economic conditions affecting demand / supply and price conditions in the domestic and international markets, changes in the Government regulations, tax laws, other statutes and other incidental factors.

INDEPENDENT AUDITORS' REPORT

To

The Members of

SHREE RAMA MULTI TECH LIMITED

Ahmedabad

Report on the Financial Statements

We have audited the accompanying financial statements of **SHREE RAMA MULTI-TECH LIMITED** ("the Company") which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating

SHREE RAMA MULTI-TECH LIMITED

the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements

Basis for Qualified Opinion:

1. In respect of loans and debentures aggregating to Rs. 6171.86 lacs which are under settlement as per scheme, the company has not provided for interest of Rs. 854.72 lacs (Previous Year Rs. 1206.51 lacs) on the same for the year ending on 31st March, 2016. Therefore, loss of the year would have been increased by Rs. 854.72 lacs. The accumulated interest not provided for up to 31-03-2016 is Rs. 12119.05 lacs (Previous Year Rs. 16052.36 lacs).
2. Non consolidation of accounts of Shree Rama Mauritius Limited (Wholly Owned Subsidiary) as per Sec.129 of the Act & Accounting Standard 21 of ICAI (refer note no.15)

Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the matters described in the basis for qualified opinion para above. If the provision for interest is made the loss for the current year would have increased by Rs. 854.72 lacs and accumulated losses upto 31/3/2016 would have increased by Rs. 12119.05 lacs and accordingly net loss for the current year would have been Rs.1066.28 lacs and accumulated losses up to 31/3/2016 would have been Rs. 63775.56 lacs, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016 and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
 - d. in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. The qualification relating to non provision of interest for the current year and earlier years and Non consolidation of Accounts of Mauritius WOS are stated in the basis for Qualified opinion paragraph above,

Annual Report 2015-16

- g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- h. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 28[B](1) and 9(i)&(ii) to the financial statements;
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts (except annulled Dividend on preference share as per note No. 28[B] 3(b)) which were required to be transferred to the Investor Education and Protection Fund by the Company.

SHREE RAMA MULTI-TECH LIMITED

Annexure 'B'

Annexure to the Independent Auditor's report of even date on the Standalone financial statements of Shree Rama Multi- Tech Ltd.

Report on the Internal Financial Controls under Clause (1) of Sub-section 3 of Sec.143 of the Companies Act,2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shree Rama Multi-Tech Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls systems over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's Judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting.

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to

Annual Report 2015-16

the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company. (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company, and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting was operating effectively as on March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reports issued by the Institute of Chartered Accountants of India.
